

San Diego Skills and Drills Clinic

Dear 11th Grade/Juniors in high school, Graduating Class of 2018 age athletes.

We have a great opportunity for you to be seen by College Coaches. We are hosting our 8th annual Skills and Drills Clinic here in San Diego on July 3rd. The Boys will be showcasing their skills from 7:30am-12:30pm and the Girls will be from 12:00pm-5:00pm.

The clinic will be a chance for college coaches to see you train and play as well as an opportunity for you to meet them and talk to them in person about what it will take to become a collegiate athlete. You will receive materials that will give you a leg up on other athletes and help you gain opportunities to keep playing the sport you love.

Here is the current list of colleges that will be represented, more to come:

Women's Colleges	Men's Colleges
APU	Brown
Brown	Cal Lutheran
